

Registering for the DHSC PPE eCommerce Portal

The PPE eCommerce portal, managed by the Department of Health and Social Care, is now available to:

- GPs
- Small residential social care providers (24 beds or fewer)
- Domiciliary social care providers (99 clients or fewer).

If you haven't yet registered for this and fit the criteria above, please make sure you register as soon as possible.

How do you register for the PPE eCommerce Portal?

You must register with the email account which is registered with the Care Quality Commission (CQC) or the Medicines and Healthcare products Regulatory Agency (MHRA). Your invitation to register with the portal has been sent from the PPE Dedicated Supply Channel team to this email account.

If you have not received an email, please contact the PPE Dedicated Supply Channel team on 0800 876 6802. Please check your spam/junk folder first.

What can you order?

GPs with fewer than 8,000 patients can order 100 IIR masks, 200 aprons and 400 gloves (200 pairs) per week.

GPs with 8,000 patients or more can order 200 IIR masks, 400 aprons and 800 gloves (400 pairs) per week.

Where can you find out more information?

A DHSC Guidance page about the [PPE Portal](#) has also been launched.
