

London Maternity Clinical Network Postnatal Group Newsletter

October 2021

GP WEBINARS ARE BACK!

Following a break over the summer, the Clinical Network are recommencing the monthly GP Webinars. These sessions aim to support primary care clinicians with undertaking the 6-8 week maternal postnatal check.

These sessions are facilitated by Dr Sunita Sharma (Consultant Obstetrician and Gynaecologist, Chelsea and Westminster) and Dr Anu Jacob (GP and SWL Maternity Clinical Lead).

Previous sessions have included themes like: management of hypertension; gestational diabetes; infant feeding and perinatal mental health.

We are excited to announce that the topic for the next webinar is Part 2 of "Optimising Postnatal Pelvic Healthcare." The webinar will be held on 22nd October, 13:00-14:00 and is open to all clinical primary care professionals. Click [here](#) to sign up for the event!

Future NHS Platform

Upcoming Webinars:

Friday 26th November
2021 13:00-14:00

Friday 28th January
2022 13:00-14:00

Friday 25th February
2022 13:00-14:00

The London Maternity Clinical Network now offers an online platform to enable access to resources for healthcare professionals. This includes previous webinars and presentations, postnatal discharge guidance and information about upcoming events. To sign up for the Future NHS Platform:

-Click [here](#) and register with NHS email address.

-Search for the London Maternity Clinical Network Workspace.

If there are any suggestions for content and resources for the platform, please don't hesitate to contact the London Maternity Clinical Network (details below).
