

NEL GP IT Support

Accessing our services

A gentle reminder...

Please remember to contact the GP IT service desk in the first instance for all your IT support needs.

If you have been contacting individuals directly within the CCG; note that due to the Covid-19 situation and changes in peoples roles, they may no longer be the most appropriate person to contact in the first instance

GP IT Support Services

First point of contact for GP IT matters is the Service Desk.
