

**IRIS Hackney**

Tackling **Violence Against Women and Girls** must be a public health priority locally, nationally and globally. A platform that centres women's health, and elevates their voices to the forefront of key policy and legislation, is also critical in seeking to improve the lives and health of women and girls.

*The 16 Days of Activism against Gender-Based Violence is an annual international campaign* that kicks off on 25th November, the International Day for the Elimination of Violence against Women, and runs until 10th December, Human Rights Day. For this, we plan to raise awareness by hosting a Q and A session to discuss matters that GP's and Health workers in City and Hackney wish to address around Domestic Violence, the IRIS service and its training programme. This is especially important now because of the challenges we have seen and are facing due to the COVID19 pandemic in regards to domestic abuse.

## **DVA Q&A EVENT**

**9/12/2021**

**1PM-2PM**

**VIA TEAMS**
