# Making Tracks

Supporting people with physical disabilities  
& HIV status in Camden

Employment and Volunteering Support

# Employment and Volunteering Support

**Supporting** adults with physical disabilities, sensory impairments or HIV into volunteering or employment, who live in Camden

**Support** through one to one coaching and group sessions to build your confidence and skills

**Advice** on career path and the necessary skills, experience and qualifications

**Enabling** and sign posting you to access relevant accessibility tools and in-work support

**Volunteering** and work placements to gain experience and be more involved

**Employment support**, helping you to secure paid employment through information, advice and guidance

**For an initial assessment and to sign up with Making Tracks, contact:**

**Employment Advisor – Disabilities**
