

ADULTS

How to refer adult patients with suspected infection	
A&E	Call 07908 250924 and send patient to A&E with a letter
HTD emergency walk-in clinic (M-F, 9am-4pm)	Patients can self-refer: 2 nd Floor, Mortimer Market Centre, Capper St (map)
Rapid Access Infectious Diseases clinic (RAID)	Email referral letter to uclh.htd@nhs.net (specify RAID in title) +/- call 07908 250924 to discuss
New referrals to OPAT	Email referral letter to uclh.htd@nhs.net (specify OPAT in title) +/- call 07908 250924 to discuss
Non-urgent review	Choose and book (preferred) Or email referral letter to uclh.htd@nhs.net
Travel clinic (pre-travel advice)	Complex commissioned patients (chronic medical problems, allergies, pregnant, over 65 years, children): email referral letter to uclh.htd@nhs.net Or otherwise healthy individuals can self-refer by phoning 020 3447 5999
Post tropical screening (asymptomatic patients)	Email referral letter to uclh.htd@nhs.net
24 hour phone advice	07908 250924
Please note: referrals can be faxed or posted but this can lead to delays in the patient being seen in our clinic. It is not therefore our preferred route for referrals. *all cases of suspected malaria should be seen in hospital for a same day malaria film
