## Professionals' Referral Form

Large font or screen reader friendly versions of forms are available on request.

Please call us on **020 7267 1321** 

Thank you for contacting us about our counselling service. For information on the support we offer, please see our website (http://brandon-centre.org.uk/counselling/).

Please complete this form, giving as much information as you can, and email the form to **brandoncentre.counselling@nhs.net** 

If anything in the form needs explaining or you need help completing the form, please call Brandon Centre on **020 7267 1321** and a member of staff can go through the form with you. Alternatively, text us on **07520 633477** to request a call-back.

Once we have received your form, we will let you know whether or not the young person has been accepted onto our waiting list. It is possible that someone at Brandon Centre may call you asking for more information about your referral. This is so that we have the necessary information to make sure that the young person is provided with the right kind of support.

Please ensure you update us if your or the young person's contact details change as we will send emails, texts and (in some cases) letters con irming the young person's assessment time and date.

We are only able to offer appointments to people age 16 - 24 who have a Camden or Islington GP or home address.

Please tick the appropriate box below.						
Camden	Islington					

\*Our waiting list is currently several months long. If the young person is currently 24-years-old, please ask us about the length of our waiting list as we can only offer therapy to people up until their 25th birthday.

\*If the young person moves away from Camden/Islington (even if they have been accepted onto our waiting list initially), we unfortunately won't be able to offer therapy with our service.

## **Need help immediately?**

Please note that we are not an emergency service. If the young person needs urgent support please contact their GP, or go to the nearest hospital A&E. If the young person is under 18, she/he can call **Childline** any time 24/7 on **0800 1111**; or can call the NCL Under 18s mental health crisis line on **0800 151 0023**; or if the young person is over 18 she/he can call the 24 hour **Crisis Line** on **020 3317 6333**.

Young Person's Details

## **Clinical Information**

Please provide details of any risk management plans that would be in place if this young person were to be placed on our waiting list.
At point of referral, we may consider other services that might be more suited to this young person's needs or may have a shorter waiting time. If referring from another mental health service please give details of what your service has offered this young person including why she/he cannot be seen at your service and why you think she/he should be seen at Brandon Centre.
including why shefre cannot be seen at your service and why you think shefre should be seen at brandom centre.
